

Job Posting Westminster Village

Position: Certified Nurse Assistant
Department: Martin Health Center
Reports to: Director of Nursing
Union Status: Union Position

Duties:

The Certified Nursing Assistant performs fundamental nursing tasks and procedures under the direction of the Licensed Practical Nurse and/or Registered Professional Nurse. Primarily performing personal care and restorative procedures, the CNA is an important part of the nursing team. Tasks may vary from total performance of personal care/activities of daily living for a resident to assisting residents to gain more independence in self- performance of those activities.

Education/License:

- High School Diploma, GED or equivalent
- Nursing Assistant Certificate or equivalent preferred
- Must be listed on the registry in the State of Illinois Department of Professional Regulation or be eligible to be listed.

Skills, Knowledge and Abilities:

- Good verbal and communication skills.
- Good organization, problems solving and prioritization skills.
- Ability to lift up to 50 lbs.
- Working knowledge of health care delivery in the Geriatric, Rehabilitation, or Skilled Nursing setting.
- Knowledge of the aging process, pharmacology, assessment of the elderly and practical application of clinical interventions.
- Desire to work in a skilled/rehabilitation setting is required.
