
COVID-19 UPDATE

TO: WESTMINSTER VILLAGE RESIDENTS AND STAFF
FROM: BARB NATHAN
DATE: AUGUST 13, 2020

As you start this memo, you will see that it is the shortest one you have received in a while. It truly has been a very quiet week related to COVID. We have begun to get test results back for the tests that were submitted two to three weeks ago, and the good news is that all the results received to date have been negative. While we were dismayed by how long it took to get these results, we are encouraged that the negative results say everyone here, staff and residents, are doing what they need to do to protect each other. Remember: wear your mask, wash your hands frequently, and watch your distance. Together, we are making a difference.
