
COVID-19 UPDATE

TO: WESTMINSTER VILLAGE RESIDENTS AND STAFF
FROM: BARB NATHAN
DATE: FEBRUARY 5, 2021

Once again we are celebrating as all of the staff tests done at Westminster came back negative, and all of the Martin Health Center and Assisted Living residents tested negative. It appears that we have turned the corner and better days are ahead for everyone.

For those who need to get a second shot of the vaccine we have set the clinic dates. They will be February 16 and February 18 from 10:00 a.m. until 4:00 p.m. We will be combining our resident and employee clinics on those dates as there are only 40 employees that need a second shot. We will deliver these on site, CVS will be the provider again and the clinics will be done in the dining room as they were two weeks ago. For the Independent Living residents there will be registration to select a time for your second shot next week on Tuesday, February 9 and Thursday, February 11 from 8:30 a.m. to 12:00 p.m., and again from 12:30 p.m. to 4:00 p.m. in the Hearth Dining Room. You will have very little paperwork to complete this time as they will just need an attestation as to questions on the form.

Again, sign up for Independent Living residents to receive their second shot will be Tuesday, February 9 and Thursday, February 11 next week, and the clinic will be Tuesday, February 16 and Thursday, February 18. For those in Martin Health Center and Assisted Living who need a second shot, you do not need to worry about signing up as staff will find you on one of those days.

We are so happy for the residents in Martin Health Center and their families as the essential caregiver program officially starts in the health center on Monday, February 8. This is a chance for residents to again be physically connected to their loved ones, an event that has been too long in coming.

Yes, better days are here and ahead, but we still need to be keeping distanced, wearing masks and washing hands frequently.

Of note –

On Tuesday, February 9 from 1:00 p.m. to 3:00 p.m. the software used for the emergency pendant system will be upgraded. This upgrade is not an option and we expect little interruption from it but the pendants and emergency cords may not work for a period during this upgrade. Please, on Tuesday, February 9 from 1:00 p.m. to 3:00 p.m. have your phone with you so that if you have an emergency you can call for help.
