## Meet Our Chief Executive Officer

We are excited to announce the appointment of Matt Riehle as Westminster Village's Chief Executive Officer effective February 15, 2023 following the retirement of Barb Nathan, who served as CEO from 2012-2023. Matt joined Westminster Village in 2013 as the Administrator and subsequently as the Chief Operating Officer before being appointed as CEO.

Prior to joining Westminster Village in 2013, Matt served as the Administrator for McLean County Nursing Home. He also serves on the LeadingAge Illinois Board of Directors and as the Nursing Facilities Cabinet President.

Locally, Matt is a member of the Normal Rotary Club. He is a graduate of Illinois Wesleyan University with a degree in Nursing. Matt has dedicated his career to the senior living industry and looks forward to this exciting new journey.

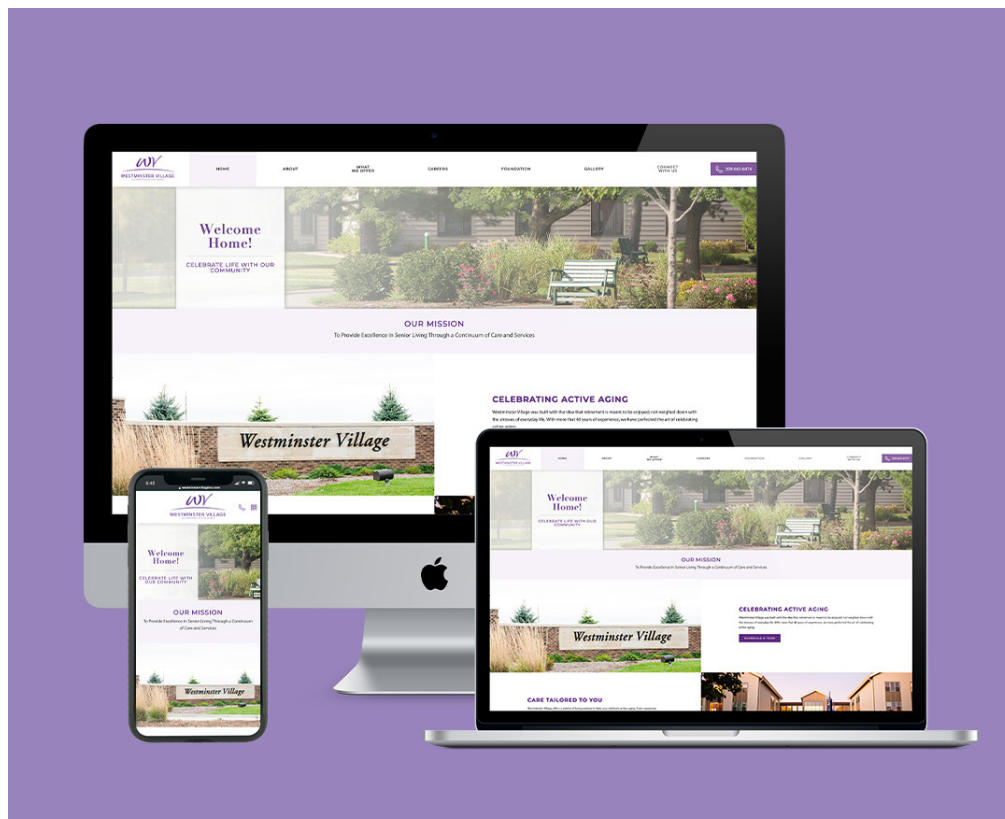

# Have You Visited Our New Website?

We are excited to announce the launch of Westminster Village's new website! The website was designed to be user-friendly and offer easy navigation to the content visitors are searching for, whether it be information on what living options we offer, career opportunities or even ways to volunteer. Many prospective residents have family members who live farther away and may not be able to visit our campus in-person so our website gives them the opportunity to see what services & amenities we offer, review pricing & contract options and even take a 3D tour of our apartments and duplexes.

The new website provides quick links to follow our social media accounts on Facebook, Twitter & Pinterest as well as an easy way to view the weekly activity calendars, see photos of the campus and even schedule a tour online. We have also created a new way for residents, family members and guests to submit a Team Member of the Month nomination. We love to hear how our team members are living out our values of acting with love and respect in all we do, going above and beyond, and doing the right thing! Nominations can be submitted through the website by clicking on "Connect With Us" and choosing the "Nominate a Team Member" option.

Be sure to visit the new website and share the information with family & friends!

## Celebrating Our Team

Each year, Westminster Village celebrates team members with 5+ years of service to the organization. This year, we have a record-breaking 94 honorees ranging in years of service from 5 years to 42 years! As we strive to be the "Employer of Choice" in the Bloomington-Normal healthcare industry, where staffing shortages are all we seem to hear about in the news, we're beyond grateful to have over 1/3 of our team celebrating 5+ years of longevity at Westminster Village. It's not only a testament to the reputation of the organization and the strength of our leadership, but to the residents our team members have the honor of serving and interacting with each day.

### Girl Scout Cookies Reimagined

Recently, our Head Chef, Dennis, had the opportunity to get creative for a good cause by participating in the Girl Scouts of Central Illinois' "Diamonds & Desserts" event at Jack Lewis Jewelers in Bloomington. Chef Dennis competed against chefs from several local businesses to create a dessert inspired by a Girl Scout cookie! His creation, the "Adventureful Puff" was a decadent hit!

## Making the Move to Independent Living

As we finish the last of our major Independent Living apartment renovations we began in 2017, we'll be updating our apartment move-in timelines effective July 1, 2023 to better align with our ability to ensure apartments are move-in ready. Once an Independent Living apartment is accepted, you'll have 30 days from the date of acceptance until signing your rental contract and taking possession of the apartment. If you opt for a Life Occupancy (Buy-in) contract, you'll have 45 days from the date of acceptance until signing your Life Occupancy contract, paying your buy-in fee and taking possession of the apartment, which allows for additional time to complete the financial qualification process and make any necessary arrangements for the buy-in fee funds.

The move-in timeline for Assisted Living & Memory Care will remain 30 days and the Willows Duplex timeline will remain 45 days.

## When Will You Be Here?

There has never been a better time to move into Westminster Village. We currently have a small selection of One Bedroom & Two Bedroom apartments in Independent Living, several with remarkable views and convenient locations! Residents who opt for one of the Life Occupancy (Buy-In) Contracts, will receive a credit equal to one-month's service fee for their first full month of occupancy.

Reach out to the Marketing Team to learn more about what's available, and don't forget you can take a 3D Tour of the various apartment floor plan options on our website.

*WELL @ WESTMINSTER*

**Home Care Coming Soon!**

As a campus providing a full continuum of care including Independent Living, Assisted Living, Memory Care and Skilled Nursing Care, we understand the importance of options. We also understand needs can change, even temporarily, and having access to the services you need when you need them is critical. In order to better meet the needs of our residents at all levels of care across our campus, we will soon launch Well @ Westminster to provide home & nursing care to assist residents with a variety of services. Our Well @ Westminster team will soon be available to meet with residents, discuss their care needs and develop a personalized plan of care and schedule of services.

We look forward to sharing more details in the coming months!
